Dear Russ,

On behalf of the Keystone Chapter of the Associated Builders & Contractors (ABC), it is my pleasure to offer our endorsement for your 2016 campaign for the 102nd State House. You have clearly demonstrated yourself as a strong defender of the open shop philosophy and a believer in free enterprise. For that reason, we are confident that you will continue to support our principles in elected office.

I would like to congratulate you on earning the support and confidence of the Keystone Chapter of the Associated Builders & Contractors, and I wish you the best in your upcoming election.

Respectfully,

Kate McCaslin
President-CEO
